It creates an atmosphere of overall development in every sphere we needed in our life. There were so many curricular and extra curricular activities that build the overall personality of a human being. The organization of seminars, conferences, and debates provided many opportunities to show your inner talents.

## Do you have any grievances with the college?

51 responses

No

Yes

No.

Not anymore but it was lack of subjects like English Literature as to be a General Subject as Poonch College have and Urdu Literature was also not in our sessions.. And there should be more and more bodies of Students's Union as NSS , NCC and more coming through JU to upgrade too much talents in students. There should be a educational society of some students who can share views on trending and emerging educational policies to make too much strong it. Rest fine....

Thank You for giving too much opportunities
