Government Degree College Surankote (J&K)

(Affiliated to the University of Jammu, Jammu)

PRINCIPAL'S MESSAGE

When inspired by a great purpose, your thoughts break their bonds, your mind transcends limitations, your consciousness expands in every direction, and you find yourself in new, wonderful horizons. Dormant forces, faculties, and talents come alive, and you discover yourself to be greater than you ever dreamed. This is the aim of true, value-based education.

It gives me immense pleasure to welcome all aspirants seeking admission to Government Degree College, Surankote, for the academic session 2024-25. Our co-educational institution offers admission to both Arts and Science streams. We are striving to introduce more skill-based, market-oriented, and job-oriented subjects in both Humanities and Science streams to equip students with prowess and sharpen their capacities.

GDC Surankote aims to nurture the latent potential in students, providing an ideal platform to channel their creativity and express their thoughts and views in a serene manner. Our institution believes education's purpose is to turn mirrors into windows, focusing not only on pure studies but also on allowing each student to explore their capabilities and interests—whether curricular, co-curricular, or extra-curricular. We are fortunate to have a highly qualified, dedicated, dynamic, and multi-talented team committed to achieving our mission and bringing our goals to reality. We aim to develop soft skills that will equip students to manage and lead the varied opportunities and challenges of society with an added edge. While we cannot always build the future for our youth, we can build our youth for the future, tasting immortality through knowledge.

I urge all new entrants, both girls and boys, to cooperate with the college administration so that together we can strive to achieve the vision and mission of the college, established in 2011. We have a long way to go, and only with the concerted effort of all stakeholders can we accomplish our aim of bringing out the best in our students.

"No matter how many goals you have achieved, you must set your sights on a higher one." —
Jessica Savitch

I wish you the best in your journey to becoming a part of this family.
