

# MEMORANDUM OF UNDERSTANDING (MoU)

BETWEEN

Municipal Committee Surankote

AND

Govt. Degree College Surankote, J&K, India

For

SOLID WASTE

## MEMORANDUM OF UNDERSTANDING

20/10/2021

This Memorandum of Understanding (MoU) is entered into this on \_\_\_\_\_ by and between  
Govt. Degree College, Surankote, J&K, India- THE FIRST PARTY  
AND  
Municipal Committee Surankote- THE SECOND PARTY  
Purpose of MoU

In particular, this MoU is intended for collecting solid waste from the college campus for proper disposal and generating awareness about solid waste management as an effort to protect the college campus and conserve its environment under prevailing rules and regulation of Government through:-

1. Unnat Bharat Abhiyan, Swachh Bharat, Start-up India and other Flagship Programmes of the country.
2. Whereas, Govt. Degree College, Surankote, the first party has the ability to organize workshops on sustainable development and is keen to leverage technical capacity of students and institutions to help in building the architecture of an Inclusive India;

On contrary Municipality, the second party through its mission can implement a convergence of framework for measurable and effective outcomes on parameters that transform lives and livelihoods of the area ensuring sustainable development, with main focus on resource efficiency and environment improvement. Whereas, combined effort of both those collaborating agencies will help in a holistic and sustainable development of the institutions which in turn contributes towards progress of the institution. And, whereas, both the parties have held discussions and have agreed for collaboration for synergizing their mutual strengths in public interest and to deliver a large good for the institution at large Now, thereof, both the Parties hereby agree for following action for development of the campus as a 'Green Campus':

### 1. SCOPE OF MoU

1.1 Both parties believe that close co-operation between the two would be a major benefit to the student Community to enhance their skills and knowledge , awareness about waste management and environment and efforts to protect and conserve under prevailing rules and regulation of Government.

1.2 The Second Party will give valuable inputs to the First Party in teaching/training methodology so that the students fit into the Department scenario meaningfully.  
1.3 Support in establishing a 'Waste Management Guidelines for the Education Campuses' and has the potential to be the benchmark for other Educational institutions to emulate from; towards "Greening their Campuses".

1.4 To impart training and build capacities to institutions staff, students and all concerned stakeholders so as to empower them to create a sustainable Green Campus.

1.5 The Second Party will extend the necessary support in collecting solid waste from the college for proper disposal from the campus of first party.

## 2. VALIDITY

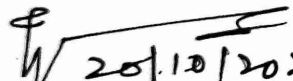

2.1 The validity of the agreement is five years from date of agreement.

2.2 Both parties may terminate this MoU upon 10 calander days' notice in writing. In the event of Termination, both parties have to discharge their obligations.
